Welcome to the Parksville Newcomers Club

Your membership gives you access to our program of meetings, special events and activity groups. Let us help you connect your interests and hobbies with our Activity Groups. Check any of the activities that interest you and return this form to the Membership Committee at the end of one of our General Meetings. If you prefer, you may print, scan and email your completed form to the Vice President at vicepresident.pnc@gmail.com. We will then ensure that someone will contact you with more information.
